Dear Allen:

Mr. William Henderson, who has been Director of Meetings since 1952, has been appointed Assistant Executive Director of the Council, and Mr. Melvin Conant succeeds him in his former post.

The Council wishes to adapt its meetings program so far as possible to the needs of members for specialized information and analysis. For this purpose, we propose to devote the full-membership afternoon meetings and also the majority of the dinners to subjects of general interest, and to increase the number of small, informal sessions dealing with special topics. In general, only members who express a particular interest in the subject under discussion will be invited to these smaller meetings.

Since we do not have in our files the necessary information from you about your special interests, I would appreciate greatly your completing the enclosed questionnaire and returning it to me; otherwise it will be difficult for us to invite you to those meetings which you would like particularly to attend. A return prepaid envelope is enclosed.

Sincerely yours,
